

# Jerry Penner One Sheet

Voice: (519) 662-4009

I went from broke to retired in 16 years and now I teach others how to do what I did.

"I can sleep better knowing I can actually do it myself! I really appreciate Jerry's calm, supportive way of speaking to me. He never judged and he has a great sense of humour that really put me at ease. I highly recommend Jerry to anyone that wants to keep more of their money and save for their future, regardless of income."

- Rose Pike, Retired Teacher
